Memo

With reference to the
Asst Secys memo dated 15/10/01
it is submitted that the system
of calling for ~~estt~~ and
sanctioning supplemental
Budgets before ascertaining
the incomplete works would
cause unnecessary delay in the execution
of the latter. It is to
obviate such delay that
the submission of Supplemental
Budgets is not insisted
upon before sanctioning
list of incomplete works.
Moreover para 17 of the
Subsidiary rules lays down
that "the list shall show
how funds can be provided
for them Incomplete works
may be proceeded with
in anticipation of the sanction
of reappropriation, ~~provided~~
~~that the work is not~~ submitted.
These are not incomplete works. They appear to be new ones. 17/10/01

Why should not the Supple
Budget be called for before
Sanctioning additional grants?

„ Ahamed Ali, Treasury Assistant Commissioner (on leave).

N. B.—The Deputy Amildars of Turuvekere and Huliyar sub-taluks and the Acting Deputy Amildar of Koratagere were also present.

I. The following Proceedings of Government were read and recorded:—

(1) Government Proceedings No. 14565-74—L. F. 53-1900, dated 1st May 1901, directing that the minimum number of meetings of District Fund Boards shall be four in a year and that all meetings of the Boards shall be held at the head-quarters of the Local Fund Circles concerned.

(2) Government Proceedings No. 10661-70—L. F. 93-97, dated 16th February 1901, directing that sheds required for the protection of Minor Municipal towns from plague should be put up at the cost of Municipal Funds, while those in rural parts should be constructed from District Funds.

(3) Government Proceedings No. 11659-69—L. F. 14-1900, dated 5th March 1901, directing that a small imprest of Rs. 25 be given to each of the nine Presidents of District Fund Boards for the carriage and other charges incurred purely in connection with the Local Fund and Municipal Branches.

II. Read Government Proceedings No. 15184-91—Mis. F. 99-93, dated 11th May 1901, prescribing the Dasara Calendar for 1901.

Resolution.—Six non-official members of the Board were present. They elect Messrs. O. Venkatachar and Agali Krishnappa to represent the Local Fund Board at the next Dasara Representative Assembly.

III. Read Assistant Surgeon's docket No. 943, dated 25th May 1901, soliciting sanction to the grant at Rs. 2-8-0 per mensem to the rented house in which the Dispensary is located at Huliyurdurga, till such time as the old Taluk Cutcherry building is ready for re-occupation.

Resolved that this may be sanctioned.

IV. Read docket No. 1563, dated 15th June 1901, from the Superintendent, Medical Stores, Bangalore, forwarding a bill for Rs. 6-8-0, being the cost of certain articles to be supplied to the midwife at Pavagada and enquiring whether funds are available to meet the demand.

Resolved that the bill may be sanctioned and the amount met from the provision in the current year's budget under the head "articles to be supplied to midwives."

V. Read Executive Engineer's docket No. 221, dated 27th March 1901, regarding the rent to be levied for the occupation by the Public Works Department Sub-Division Officer of two rooms in the musafirkhana at Chiknayakanhalli for holding his office.

Resolution.—The Board are of opinion that musafirkhanas should be used for the legitimate purpose for which they were intended and that the Public Works Department authorities should be asked to vacate the rooms.

VI. Read letter No. 1508, dated 2nd May 1901, from the Superintending Engineer, Eastern Circle, returning the estimate for Rs. 608 for constructing a drawing well in the compound of the inspection lodge at Chikkayakanhalli, as the Chief Engineer is of opinion that the work referred to is by no means urgent and that it can wait till funds are available.

Resolved that as the work is half done, it should be completed and sanction obtained to meet the cost of the estimate from the closing balance at the credit of the District Funds in the next year's District Fund budget.

VII. Read Senior Surgeon's docket No. 4911, dated 23rd April 1901, forwarding for favor of disposal petition dated 6th April 1901, from the residents of Huliyurdurga, Kunigal taluk, and requesting that if a midwife is considered necessary for the place, Government sanction may be obtained.

Resolution. The entertainment of a separate midwife for Huliyurdurga is not necessary for the present.

VIII. Read Pavagada Amildar's report No. 189, dated 28th April 1901, stating that the travellers' bungalow at Tirumani may be altered into a musafirkhana and utilized by inspecting officers, instead of the building being demolished as already proposed.

Resolution.—The present building may be curtailed, retaining the central hall with a bath room, and the Amildar thinks that an allowance of Rs. 2 per mensem may be given to the patel for taking care of the same. This can be arranged for. The latter proposal may be sanctioned.

IX. Read Chiknayakanhalli Amildar's report No. 401, dated 9th June 1901, stating that one B. Srinivasa Rao, a resident of Chiknayakanhalli, may be chosen as a non-official member of the Board, *vice* Gangannasetti, deceased.

Resolution.—As Chiknayakanhalli has been represented for a long time, this opportunity may be taken to get Gubbi represented. The Amildar of Gubbi proposes one Ramanujiengar of Kadaba and the members have approved of the selection. His name may be submitted to Government.

X. Read Executive Engineer's memo No. 473, dated 7th May 1901, forwarding copy of the Inspection Note by the Superintending Engineer, Eastern Circle, on the Tumkur-Maddur road for consideration regarding funds for metalling that portion of the road between Tumkur and Kunigal, a distance of 25 miles.

Resolution.—As there is no provision in the next years' budget for this work, it was resolved that an yearly grant of at least Rs. 3,000 may be applied for and obtained for metalling the worst portions of the Tumkur-Maddur road, the probable cost as stated by the Executive Engineer being about Rs. 10,000.

It was also resolved to obtain grants for the following works:—

(1) Improving the Tiptur-Channarayapatna road within the district, a distance of 6 miles—Rs. 1,000.

Report.

For want of a musa ferkhana at Honehalli Railway station in Tiptur Taluk, travellers feel much inconvenience, so that it has been proposed in the District Fund Board Meeting held at Gubbi on the 26th Aug 1899

to build one there.

The musaferkhana which is at Yelladabage in Gubbi Taluk has got two wings and is not much frequented by travellers. Only one wing is considered sufficient to meet the requirements of the place, so that it has been proposed in the meeting to remove one of them and use its materials in constructing the same at Konehally

Accordingly, the accompanying estimate has been framed costing Rs 710. Design proposed as same as the one to be dismantled to suit the same materials. Site selected is just close to the premises of the Konehalli Railway Station, where there is already a draining well.

Rs 500. Opening out a cart-track from Tiptur to Kodigehalli (appropriation for the current-year)

Rs 177 } cost debitable on account of erection of iron railing on the rock leading to the top of Maddagiri Hill.
